

**ARE YOUR ELECTRIC BILLS TOO HIGH & GOING HIGHER?**

**ARE YOU CONCERNED ABOUT HAVING YOUR POWER SHUT OFF  
DURING ROLLING BLACKOUTS & EMERGENCIES?**

**Find out if your home qualifies for No Pay Solar™**  
**Fully Funded Battery/Grid Relief Program**

### **Introducing No Pay Solar™**

For qualifying homes, you can get Solar Panels, Batteries, Inverters, and even required Home Upgrades - with ZERO out-of-pocket cost for the homeowner. No loan, no lease, no lien.

### **Homeowner Benefits**

1. Fully Funded Program - Costs are Covered 100% for Qualifying Houses.
2. Potentially Lower Electric Bills - Save Significantly on your Monthly Payments.
3. Blackout Protection - Keep your Power On during Rolling Blackouts & Emergency Shut-offs.
4. Capped Rate Increases - Avoid Steep Electricity Price Hikes.
5. No Maintenance Costs - Repairs and Replacements are Fully Covered.
6. No Lien - If Home is Sold, Utility Program Transfers Seamlessly to New Homeowner.

### **Already Have Solar?**

You may qualify for upgrades to increase production and add battery storage.

### **Does Your Home Qualify?**

Email your most recent electric bill to [apply@nopaysolar.com](mailto:apply@nopaysolar.com) and we'll let you know if your house qualifies - usually within 48 hours. There is absolutely no obligation!

### **Referral Program**

Love the program? Earn between \$500 & \$1000 for every qualifying referral!
