

ARE YOUR ELECTRIC BILLS TOO HIGH & GOING HIGHER?

ARE YOU CONCERNED ABOUT HAVING YOUR POWER SHUT OFF DURING ROLLING BLACKOUTS & EMERGENCIES?

Find out if your home qualifies to apply for No Pay Solar™ **Fully Funded Backup Battery & Grid Relief Program**

Introducing No Pay Solar™

For qualifying homes, you can apply to Reduce Your Electric Bill and Receive Solar Panels, Backup Batteries, Inverters, and even required Home Upgrades - with ZERO out-of-pocket cost for the homeowner.

Homeowner Benefits

1. Fully Funded Program - Costs are Covered 100% for Qualifying Houses. No Purchase, No Loan, No Lease.
2. Potentially Lower Electric Bills - Save Significantly on your Monthly Payments & Avoid Penalty Rates.
3. Blackout Protection - Keep your Power On during Rolling Blackouts & Emergency Shut-offs.
4. Capped Rate Increases - Avoid Steep Electricity Price Hikes.
5. No Maintenance Costs - Repairs and Replacements are Fully Covered.
6. No Lien - If Home is Sold, Utility Program Transfers Seamlessly to New Homeowner.

Already Have Solar?

You could still qualify for upgrades to Increase Production and Add Backup Battery storage.

Does Your Home Qualify?

Email your most recent electric bill to review@nopaysolar.com and we'll let you know if your house qualifies to apply for the program - usually within 48 hours. There is absolutely no obligation!

Referral Program

Love the program? Earn between \$500 & \$1000 for every qualifying referral that gets installed!
